MSPE 407

Museum Education and Interpretation

M/W 5:20 pm - 6:40 pm

Instructor: Vertie Lee - Curator of Education, State of Delaware

**Who visits museums
and why?**

**How are museum collections
shaped for meaningful exhibitions,
programs, tours, and social media?**

**What can we do to better
engage potential museum
visitors who may feel on the
periphery?**

Explore the triumphs and challenges of museum education and engage with museum educators and colleagues in the field to help answer these questions. Learn about the nuts and bolts of the field including methods of evaluating programs, community engagement, serving diverse audiences, and managing staff and volunteers.
